PURPOSE

To update the MDTA Board on the approved calendar year 2025 holiday schedule for the I-95 Express Toll Lanes. The schedule will also be used for the ICC.

SUMMARY

As part of the MDTA Board approved tolling plan for the I-95 Express Toll Lanes, the MDTA Board established that the MDTA Executive Director would approve a holiday schedule which resets the toll schedule on certain holidays to a Saturday or Sunday toll schedule based on traffic patterns for the holiday. This approval occurs each December for the upcoming calendar year and is shared with the MDTA Board at their December meeting.
