Authority

* The above timeline is for year one. The project will last two years.

** Schedule may change due to variables such as work progress and weather.

Here's what you need to know:

- Expect major delays.
- The right lane on the westbound Bay Bridge will be closed due to deck rehabilitation.
- Effective Sept. 24, 2019, no two-way traffic operations (one eastbound lane is directed onto westbound span for three eastbound lanes) except during emergencies.
- Stay alert in work zones.
