

I-95 Fort McHenry Tunnel Driver's Update

- Middle lanes of toll plaza remain closed to remove toll booths and canopy for highway-speed all electronic tolling (AET).
- Shoulders are closed approaching the plaza.
- Stay alert, obey posted speeds, and keep moving through the open lanes.
- Commercial vehicles should keep right.
- Traffic delays are possible approaching the toll plaza.
- AET (cashless tolling) is statewide. Properly mount your *E-ZPass* and keep payment/vehicle details updated to receive the lowest toll rate.
